## PROJECTS

### **Zomato**

Mar 2022 - Sep 2022

<https://zomatobyme.netlify.app/>

This was the zomato clone end-to-end designed by me.

Key feature

- \* Completely responsive and designed in react
- \* Payment gateway by paytm
- \* No use of Redux I used only lifting state up here
- \* Dynamic header and Scroll to top rendering

### **AmazonClone**

Aug 2022 - Present

<https://amazonbymdkaif.netlify.app/>

- \* Completely responsive and designed in react
- \* Payment gateway by Paytm
- \* No use of Redux I used only lifting state up here
- \* Dynamic header and Scroll to top rendering
- \* Cart page.
- \* Wishlist page.
- \* login, log out, and register using node.
